

Honeywell®

1470g Voyager XP handheld omnidirectional barcode reader, 1D, 2D, USB, black

Honeywell Voyager Extreme Performance (XP) 147x is the next generation of Honeywell handheld sensors, designed for in-store retail environments. The Voyager XP 147x scanner offers highly accurate scan performance, easily capturing damaged and difficult-to-read codes. Scanner corresponds to the new Tobacco Directive - reads DotCode.

With better durability and a more powerful scan capability than previous models the Voyager XP 147x scanner is the perfect option for workflows that include 1D and 2D barcode reading and require a more robust and reliable solution. The scanner's extended scan distance will reach right to the bottom of the cart without bending and wasted time at the checkout. The Voyager XP 147x scanner is fully backward-compatible with existing Voyager accessories, reducing total cost of ownership.

Key features:

- more powerful scan capability than previous models
- easily reads even difficult-to-read and damaged codes
- fully backward-compatible with existing Voyager accessories
- great price/performance ratio
- reads DotCode

Technical Description

Functionality & Operation

Communication interface	USB
1D Barcode Symbolologies	All standard one-dimension barcodes
2D Code Symbolologies	DotCode, PDF417, all standard 2D-Codes

Optical

Bar code scanner	2D Imager
Depth of scan field	5 - 400 mm

Electrical

Power Source	4.0 ~ 5.5VDC
--------------	--------------

Mechanical

Color	black
Dimensions	Width: 62mm, Height: 169mm Length: 82mm
Weight	130g

Environment

Ingress protection	IP40
Maximal ambient light	100000lux
Shock resistance	Withstands 30 drops from 1,8 m onto concrete surface, 1000 tumbles at 50 cm
Operating humidity (non-condensing)	0 to 95%
Electrical static discharge	±8kV contact, ±15kV air
Storage temperature	-40 to 60°C
Operating temperature	0 to 50°C

Others

Warranty	5 years
