

BD-1510U Wireless handheld barcode scanner, 2D & QR code reader, USB, black

Birch BD-1510 is a Bluetooth wireless 1D & 2D bar code scanner designed and priced to compete in the cabled scanner market.

The Birch BD-1510U combines energy efficiency and high performance with the unprecedented versatility of a wireless barcode and 2D scanner priced to attract customers in both the cabled scanner and wireless scanner market.

The innovative energy efficient design and “cradlefree” charging system ensures the BD-1510U is always operational.

Main features of the Birch BD-1510 1D & 2D barcode scanner

- cableless bar code and QR code scanning via Bluetooth
- wireless signal range up to 12 meters
- “cradlefree” charging system
- capability to be set up into [mode suitable for national keyboard layout](#)
- possibility to store the scanned codes in the memory when the wireless connection is not available
