BS-011 Corded 1D and 2D bar code scanner, USB, black

Cost-effective barcode, 2D and QR barcode scanner suitable for retail cash registers. It reads codes easily from merchandise and loyalty cards as well as from the smartphone screen.

Beside the English keyboard layout the Birch BS-011 2D hand scanner can be set to the Czech, French, German and Spanish keyboard layout. It is suitable exclusively for applications that do not use any other additional configuration, such as are retail cash register systems or production and distribution lines.
