# RS31-2006 Hands-free KIT: RS31-C & RS-2006 & Case for attachment to the hand

Your stock operations are in Your hand! A clever solution that will make it easier for you to manipulate in warehouses and retrieve barcodes.

The Cipherlab RS31-C terminal and the Opticon RS-2006 1D barcode scanner are the ideal solution for warehouses if they need free hands at work.

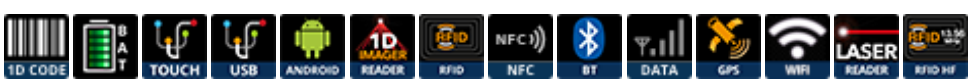

The special terminal attachment with the forearm and code readers on two fingers makes it easier for them to work in the warehouse.

**Main Features:**

- ease of work - easy handling
- easy pairing of the terminal with the reader via Bluetooth
- suitable for right and left hand
- battery & power supply included

**Hand case Highlights:**

- Outside Material: Ballistic Like Nylon
- Size: 5.5" x 2.5" x 6.5"
- Wearable design keeps both hands free while still capturing data
- Removable OP case for device
- Fully adjustable with comfort lamination for prolonged time of wear
