

# EPSON

## EXCEED YOUR VISION

Epson's cost-effective, energy-efficient TM-T20II thermal printer is ideal for low-volume retailers, food service and virtual terminal applications. It combines basic POS printing functionality with high reliability and ease-of-use features.

### Quality you can count on

The TM-T20II is the ideal choice for retailers with a low volume of POS transactions. Based on Epson's advanced printing technology, it delivers the quality and reliability that Epson is known for, which ensures an easy, reliable printing solution for end users.

### Fast printing with multiple options

The TM-T20II prints both text and graphics on receipts at speeds up to 200mm/second. It also features crisp, clear printing of logos, coupons and barcodes. In addition, the TM-T20II offers paper saving options that can reduce paper usage by up to 30%.

### All-in-one-box convenience

The TM-T20II comes with everything you need in one box for quick setup and installation. The box includes manuals, drivers, utilities, cables, external power supply and easy-to-use software tools to speed set-up and installation. In addition, the TM-T20II is available with USB + Serial, or Ethernet only interfaces.

### Easy to use. Easy to maintain

The TM-T20II comes with multiple ease-of-use features from drop-in paper loading and autocutter to status LEDs and more. And it also offers optional printer placements including horizontal or upright for front receipt dispensing or vertical wall placement using a special hanging bracket.

### Features Epson reliability

With a MCBF of 60 million lines, a MTBF of 360,000 hours and an autocutter life of 1.5 million cuts, the TM-T20II delivers the reliability customers expect from Epson.

## ENERGY STAR qualified

Epson's TM-T20II is ENERGY STAR® qualified and RoHS compliant and features low power consumption to reduce costs.

## Backed by the leader

The TM-T20II is backed by Epson's industry-leading service and support programs and comes with a two-year limited warranty. To learn more about how the TM-T20II meets the needs of small retailers, go to [pos.epson.com](https://pos.epson.com).

# Technical Description

## Functionality & Operation

Communication interface	RS232, USB
Fonts	ANK
